Social Security:

Keeping the Promise to All Generations

Social Security is once again under attack as Congress debates cutting it in the name of the federal deficit. Social Security has not contributed a penny to the deficit and is a promise that must not be broken. Join us as we hear from beneficiaries and advocates and learn about the national campaign to protect and strengthen Social Security. We will also discuss the proposed cuts to Medicare and Medicaid.

Keynote Speaker

Eric Kingson

Co-Director of the national coalition Strengthen Social Security

Served as policy advisor to two presidential commissions – 1982 National Commission on Social Security Reform; 1994 Bipartisan Commission on Entitlement and Tax Reform
