

### **Something about Sherwen**

Sherwen Moore is a member of ASCAP and Local 10-208 AFM. He has played with Ken Chaney, Richard Patterson (from David Sandborn's Pantheon of Jazz Musicians), with Sheila E, Nolan Saheed (of Marvin Gaye fame), Wali Ali, Charles Igilori (of Bob Marley fame) Tito Carrillo, and many other musicians of note.

Sherwen is one of the founding members of the jazz group **TWO COLD**.

"TWO COLD's latest CD, **Cityscapes 2010**, is produced by Reginald Torian of the renowned Fabulous *Impressions*. While the genre has seen better days—with a major retreat of radio outlets abandoning the beloved format—the tunesmiths of Two Cold apparently set out then to create a palette of songs that would stand the test of time, and its re-ignition is anything but dated."

### **Something about the workshop**

The workshops are designed for an intimate exchange between Sherwen and the students. There will be sharing of music and discussion about the wonderful experiences that accompany preparing for and performing live music. While his 45 min. workshops are educational, they are fun, interactive, and enjoyable.
